

## 2022 Small Business Grant Application Guidelines

- (1) Grant Overview: The Yazaki Kizuna Foundation provides grants to small businesses. The amount of the grants (in Samoan tala) will be determined on a case-by-case basis and awarded in accordance with the Foundation's fiscal year (January to December).
- (2) Eligible grant recipients: Primarily intended for corporations established under Independent State of Samoa Incorporated Societies Ordinance 1952.
- (3) Eligible small businesses: Businesses that contribute to the sustainable development of the Independent State of Samoa, especially those that create employment opportunities and acquire foreign currency (exports).

Upon receiving a grant, the recipient will be required to respond to inquiries and requests for information from the Foundation regarding the status and results of the business. Please note that with the recipient's prior consent the Foundation will disclose this information on its website and in its public relations materials.

- (4) How to apply:

Please go to the "[Contact Us](#)" page of the Foundation's website. At that time, please provide the official corporation name, an outline of the small business, the desired amount of the grant, and contact person's name, title and e-mail address.
